"Jody's talk was engaging, educational and fun. Kids were up, moving about, and learning at the same time. He got raving reviews from every single youth that was involved that day. " Michelle Hess – Vice Mayor, City of Buckeye, AZ

"Jody came to us and it was pretty amazing how the youth connected to him right away. They started trusting him and they started to open up. To hear our youth have the energy and motivation for themselves is exactly what we needed." - Neighborhood Ministries

"Jody taught me that there is purpose that is within me and that I should embrace that purpose. And that is why I am currently pursuing writing a book. -Kemi (Millennial)
